**Mr. Sean Hansen,  
Regional Director  
IPSC Canada**

Dear Sean,

I refer to your letter 19.01.2019.

Please be advised that the IPSC Executive Council has formally approved your request for the rule exemptions, in order to comply with the laws of Canada, as follows:

1. Limiting magazine capacity in all pistol divisions and pistol caliber carbine discipline to 10 rounds; and
2. Increasing the minimum distance for the engagement of metal targets to 10 meters.

Please ensure your membership understands that the subject exemptions only apply in respect of IPSC competitions being held within Canada.

Yours truly,

Vitaly Kryuchin

IPSC president
